

Acknowledgements

Acknowledgement I

All the team of researchers, engineers, staff & other members who worked in the consortia take pleasure in extending their thanks & putting on record the acknowledgement for the guidance & support extended by Shri N. Ravi Shanker, Additional Secretary, DIT & Group Coordinator of Language Computing Group TDIL. It is worthwhile to extend the acknowledgement for her hard work & efforts put in by Ms. Swaran Lata, Director & Head of TDIL, DIT. Shri Manoj Jain, Scientist-E, DIT & Nodal officer for the Machine Translation consortia project needs a special acknowledgement for keeping the group active & get the appropriate results produced.

We are thankful to Dr. S.V. Ramanan Chairman PRSG & Members Prof. K Narayanmurthy - University of Hyderabad, Dr. B Mallikarjun-CIIL-Mysore, Prof. Rajeev Sangal-IIIT Hyderabad and Prof. Suraj Bhan Singh who have not only reviewed the progress of the project critically from time to time, but also guided the AnglaBharati team members for achieving the goals of the project. PRSG team needs special acknowledgement in this regard.

Prof. R M K Sinha
(Retired from IIT, Kanpur in July 2011)
(Presently at JSS Academy of Technical
Education, Noida)
IIT, Kanpur

Acknowledgement II

We sincerely acknowledge the efforts put-in by Prof. R.M.K. Sinha, IIT Kanpur for his constant support & guidance all the time for the smooth implementation of the project. Acknowledgements are due to coordinators of the project from various centres, Dr. A.B. Saha (CDAC Kolkata), Shri R. Ravindra Kumar (CDAC TVM) and Shri V. N. Shukla (CDAC Noida). All the team members need special acknowledgement for the great work done, some of them are listed below. List of contributors as given below may not be all exhaustive, since large number of consultants, advisors, language experts have contributed directly or indirectly, who need to be acknowledged for their collaborative hard work which they had put in to produce the results which are encouraging. The researchers have worked hard under the leadership of Dr. R.M.K. Sinha, the Consortia leader and these efforts have fructified and the MT systems thus developed can be seen at <<http://www.tdil-dc.in>>
